COMMISSION  
OFFICE OF GENERAL  
COUNSEL

Dear Mr. Marinelli:

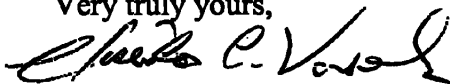

Thank you for your communication this morning concerning those two particular documents, pertaining to the Committee's invoice dispute with Gangi Graphics, which you apparently did not receive with my mailing of April 28, 2000.

I am re-sending those documents, enclosed here as follows:

- (a) Copy of memo to the committee's files concerning the mishandled labels over which the billing dispute arose in the first instance; and
- (b) Copy of the March 21, 1996 invoice from Gangi for its entire job and charges.

I regret any inconvenience or confusion in connection with the foregoing. Should you have further questions or comments, please do not hesitate to let me know. Regards.

Very truly yours,

Nicholas C. Vasels

**Re: Calvert Mailing**

**As per our discussion here is the info on the delay created by Jim Hayes @ Political Data.**

**Tuesday, 3/12/96 12:30pm:**

**Contact was made w/ Jim Hayes - I inquired about the labels. He stated " I just got the disk from calvert on Monday - Needed it on Friday, Will try to get the labels over to Gangl on Wed. - will have to them by Thurs. morning"**

**Thursday, 3/14/96 2:15 pm:**

**Spoke w/ Jim. " Just sent his driver over with the labels"**

**Thursday, 3/14/96 4:30 pm:**

**Informed Jim that the labels that were delivered were incorrect and needed to be reprinted on adhesive stock. It would be Friday before he could get them to Gangl**

**The Address labels were out of our control, as the Calvert committee contracted directly with Political Data. Jim was not very cooperative on the project and my concerns were conveyed to Terry at the Campaign Committee Office. Each of the components that were under our control were ready and waiting for the address labels.**
